IMPORTANT NOTICE: Patients may present with MetLife/Versant Health (Superior/Davis Vision) Vision Benefit

Dear Valued Eye Care Professional,

As a reminder, MetLife, Versant Health's new owner, added Davis Vision and Superior Vision plans into their vision product offerings that began January 1, 2022. As providers in the Davis Vision and/or Superior Vision networks, this upcoming year will bring additional MetLife members seeking services from your office.

The plan names offered by MetLife are "*Davis Vision by MetLife*" and "*Superior Vision by MetLife*." MetLife also continues to offer its Vision PPO plan, which is the third plan of its vision care offerings. Patients may simply convey that they have MetLife Vision and not understand the distinction between these three plans. As a result, you may have to ask the patient if they know which of the plans they have. Based on their answer, please manage eligibility verification, orders, and claims for MetLife vision care patients in the following way:

Davis Vision or Davis Vision by MetLife – Versant Health's Provider Portal Superior Vision or Superior Vision by MetLife – Versant Health's Provider Portal MetLife Vision PPO or MetLife through VSP – Follow your existing VSP process

If the patient does not know the specific plan they have, you may need to look into both systems in order to complete the process using their LAST NAME and DATE OF BIRTH. Note: Please see the attached for instructions on how to look up *"Davis Vision by MetLife"* and *"Superior Vision by MetLife"* member eligibility and benefits. You and your clinical teams are integral to our mission as valued participants in our provider network. As always, please contact customer service if you have any questions.

Davis Vision:	1 (877) 235-5316
Superior Vision:	1 (877) 235-5317

Sincerely, Versant Health Provider Support Team
