Notice: MetLife Employee Member Benefit Plan Update

Dear Valued Versant Health Vision Provider,

We are excited to notify you that Versant Health is launching new services and member coverages including diabetic services and eyewear to include safety, bluelight and sun protection through 2023. These benefit enhancements, outlined below, currently impact **MetLife Employees** beginning January 1, 2023. However, as we grow in 2023, you will see expansion of these product offerings to additional clients. This gives you an opportunity to service more patients and positively impact the healthcare of members in your community.
